# Combining Like Terms

Have you ever heard the phrase "you can't compare apples and oranges?" Place each of the terms below on the proper "tree" that contains like terms. (Not all terms belong on a tree!)

x^2	11	$4z$	xy	y
$9y$	$2z$	$2y^3$	$5z$	$11y$
$9x$	$6x^2$	$9y$	$2z$	19
7	$-x^2$	$3y$	$2x$	$7z$

Tree labels: y , x^2 , 8 , z
