

Dear Riverton family,

I first want to express my love and compassion to everyone during these unprecedented times. We will get through this. The world will heal.

Social Studies will be resuming effective 4/20/2020. I look forward to adapting with the rest of you. It's a whole new world. My aim is to continue to be a resource to my scholars. Please ensure that your child is logged in. The classroom codes are provided below for those who have yet to connect. Thank you!

Sincerely,
Mr. Dayan
