### **TELL YOUR FELLOW CITIZENS WHY THEY SHOULD VOTE 'YES' ON THE U. S. CONSTITUTION!**

You are a Constitutional delegate – hooray! Now you have an exciting job: Create a pamphlet that you will hand out in all 13 states to win support for the nation's new Constitution. The pamphlet should tell your American neighbors why the document is superior to the Articles of Confederation. Discuss important ideas like: 1) checks and balances; 2) three branches of government – executive, legislative and judicial; 3) a strong presidency but not anything like royalty; 4) free elections in a democratic republic. Design a dynamite brochure -- colorful artwork and a title that will make people notice. **Due: Friday, May 31.** This is a project assignment.
