

Geography of the Eastern Hemisphere Project:

You are required to prepare a **brochure** based on research on a country of **Oceania or Europe** that you would like to visit in the future. You must choose a country from the region given and explore the different geographic features using the five themes of geography. Be creative.

Include

- Name, map, location and flag
- Climate, major cities, major geographic features
- Any important place and interesting fact(s).
- Briefly explain what attracted you to visit that country.

Your **brochure** must

1. Be typed – double spaced, written in size 12 font (Times New Roman)
2. Include your name, class and date
3. Have a title and it must be appealing.

Due: Wednesday, September 27, 2017
